

PRODUCT SPECIFICATION

Control Room Consoles

Rounded Edge Work Surface

Aura consoles come as standard with a long lasting, high pressure laminated work surface featuring our proprietary Edge rounding technology.

Electric-Lift System

Adjust the height of the work surface of 730mm to 1140mm with a simple push of a switch located under your table. Our work surface have a loading capacity of 200kgs

CPU Tray

CPU tray features 2 Velcro straps for keeping your CPU fixed in its position. If you want your CPU to be mobile use nylon wheels or just levellers for the CPU tray. Refer Page for ordering potions.

Gas-Lift System

Using gas lift technology, Aura desks are easy to use and are height adjustable with a simple press of a hand lever. The height of the table can be adjusted from 700mm to 1080mm (stroke of 380mm). Load Capacity: Dynamic - 15kg and Static - 100kg.

Monitor Mounts

Several different heights and configuration of monitor mounting arms can be used together to create a monitor array suitable for any application. Refer page 8 for monitor mount options.

Privacy Panel

Enhances the look of the console and adds an element of privacy for the operator with the Privacy panels. The privacy panel conceals the cables as well. You can choose between a perforated panel, tampered Glass or a Slat wall as your own privacy panel.

Designer End Panels (Optional)

Our designer end panels are available in a wide variety of colours, designs and options. These optional end panels can also be custom ordered in laminate or solid-surface materials. We can print your logo or designs on these end panels.

Powder-Coat Paint

Aura consoles are powder coated with 8 tank technology and nearly 100 microns of coating. With Aura you have an option to choose any colour you want to match your control room and achieve the look that you desire.

WERNER'S *AURA SERIES CONSOLES*

AURA SERIES-1

Series-1

Move from sitting to standing in mere seconds with our easy-to-use gas lift system or electrical lift. Bring back control to your workstation from more comfortable positions. Studies have shown standing and working is a healthier and more productive alternative.

AURA Series-1 Dual Sit/Stand Console

Model	Work Surface Height	Width	Depth
AU-S1-G	30"-46" (762-1168mm)	75-5/8" (1921mm)	44-5/8" (1133mm)
AU-S1-E	30"-46" (762-1168mm)	75-5/8" (1921mm)	44-5/8" (1133mm)

Aura Series-1 console sets the standard. Monitor mounts sold separately. See page 8

"Note: 'G' Gas Lift & 'E' Electric Lift in Model selection"

AURA SERIES-2

Series-2

Sitting behind your desk all day is not good for health and experts have long been advising people to stand at their workstations for about 15 minutes an hour. Research shows that people standing for at least 15-20 minutes per hour get many health benefits.

AURA Series-2 Dual Sit/Stand Console

Model	Work Surface Height	Width	Depth
AU-S2-G	30"-46" (762-1168mm)	90-1/2" (2299mm)	45-15/16" (1168mm)
AU-S2-E	30"-46" (762-1168mm)	90-1/2" (2299mm)	45-15/16" (1168mm)

Aura Series-2 console offers an extra-large work area. Monitor mounts sold separately. See page 8
